

## **CORPORATE GOLF AT YARRA YARRA 2011/2012**

One of Melbourne's most prestigious private golf clubs, boasting an immaculately presented golf course and heritage listed Clubhouse and surrounds - Yarra Yarra provides the perfect setting for your next golf day.

Famous course architect Alex Russell, in partnership with the great Dr Alister MacKenzie, created a golf course that has led to world-wide recognition by amateurs and professionals alike.

The short drive along the tree-lined entrance driveway adjacent to undulating fairways, followed by the first glimpse of Yarra Yarra's impressive clubhouse, with its beautiful manicured gardens and picturesque setting - all combine with the perfect service and cuisine to create a golf event your guests will remember.

The character and ambience of Yarra Yarra can only be truly appreciated after personal inspection.
