Vermont Sth. 3133

Dear Board Members,

Having conducted my daughters wedding at your establishment on the 10th of January, 2009, I am writing to express our extreme satisfaction of all aspects of the event that concerned the Yarra Yarra Golf Club.

As you would no doubt appreciate, a wedding is a major undertaking by any family and we experienced the usual fears, that at any stage something could occur that would potentially cause an unforeseen problem leading to an outcome that would leave a less than favorable memory of the occasion. Needless to say, the day was an outstanding success primarily due to the location and the outstanding service provided by your club.

In our dealings with your Events Manager, Scott Woollard & your Events Coordinator, Kim Phillips, we were constantly impressed with their attention to detail and level of personal service. Kim, in particular, was always available to respond to any query we had or provide sound advice about aspects of the event. Our sincere thanks to both Scott and Kim.

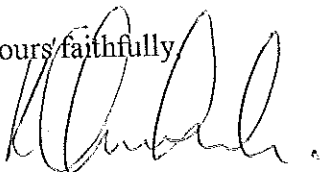

Comments I received from many of our guests epitomize the comments that I would pass onto you, the Board:

- "the drive in was impressive especially when the clubhouse comes into view"
- "the whole setting, with the ceremony being conducted with the clubhouse in the background, really made the wedding special"
- "the bride arriving in a golf buggy gave the ceremony a real relaxed feeling"
- "the canapés were really good"
- "the function room looks fantastic"
- "the house sauvignon blanc is great, who's the maker, I want to buy some"
- "great choice of reds, Ken"
- "service is good, I haven't emptied my glass yet"
- "the food is great, real restaurant quality & not your usual reception place stuff"

These comments are passed on with the best intentions but don't completely cover all the little things that made the day very special to us all.

Again, and on behalf of the Bride & Groom, the grooms parents & my wife, thank you for making available your beautiful establishment for our special day.

Yours faithfully

Ken. J. Chamberlain.
